A LOCATION THAT WORKS

Strategically positioned close to the Sheriffhall Roundabout and just 6 miles from Edinburgh city centre, The Works benefits from one of the most accessible locations in the east of Scotland with over 200,000 people living with a 15-minute drive of the site. With direct access to the A7, A1 and Edinburgh City Bypass, occupiers are superbly connected to Edinburgh, the Central Belt and the wider Scottish road network.

The location also offers unrivalled green travel facilities. Shawfair railway station provides regular services to Edinburgh Waverley, the adjacent Sheriffhall Park & Ride delivers frequent bus connections into the capital, and established cycle routes give staff and visitors practical, sustainable alternatives to car travel.

Set within the wider Shawfair area, The Works sits at the heart of an established and diverse commercial environment, already home to a strong mix of occupiers including Qualifications Scotland, Spire Private Hospital, Marston's Pub/Restaurant and David Lloyd Health Club.

The wider Shawfair community continues to grow at pace, with over 1,000 homes complete and a further 3,000 in the pipeline, reinforcing the area's position as one of Scotland's most dynamic new communities and a highly compelling location for occupiers seeking access to talent, customers and sustainable transport infrastructure.
